Work Experience

DJ

I've been working as a DJ for a long time. This allows me to get rid of the public speaking fear, teaches me to find a way out of emergency situations and be not afraid to make quick decisions. Also, DJing has opened up the opportunity for me to meet interesting people and musicians.

Odessa National Economic University

Postgraduate student

I am writing a thesis on the topic: "Strategic analysis of the competitiveness of a food industry enterprise."

About me:

I am a graduate of the Odessa National Economic University with a degree in Accounting, Audit and Economic Analysis. Currently, I am a graduate student at the same university in the department of economic analysis. In addition, I completed a course on HTML and CSS layout at the Hillel IT school Odessa, I also read the literature on this topic and use educational applications. I make layouts of different complexity.
